Discuss Hiring of Town Road Crew Personnel and Advertisement for Position

Mr. Tuschner previously studied the folder of prior applicants. He read the names of those applications that were on file. Discussion was held on the position being vacated and the existing road crew employees. I. Pronschinske suggested to offer the Foreman position to the existing employees first, if they were not interested in the position, then advertise the Foreman position. M. Wineski did not think that was the route to take. R. Tuschner did not put the agenda in closed session, because he thought the Board should discuss the hiring of a foreman. This would include advertisements and asking in-house. Discussion continued on the in-house application process. The position is open for existing employees the same as for new applicants. I. Pronschinske asked about the time-line. Discussion continued on the cemetery position, posting for a foreman/patrolman position, interview process, calling part-time positions to help fill in, existing projects, run the advertisement for 2 weeks with applications due on July 14 at 5:00 p.m., possible special meeting dates, applications, interview questions, job descriptions, and existing employee willing to help out in the future. The special meeting will be set at the regular July 7, 2014 meeting.

R. Tuschner adjourned the meeting at 5:30 p.m.

Respectfully submitted by,

Beth Killian
