

Town of Arcadia
Resolution Promoting the Development of Bicycle and
Pedestrian Facilities along Reit Lane
Created 11/23/15

WHEREAS, the Town of Arcadia Comprehensive Plan recognizes the goal of providing safe and efficient transportation system that meets the needs of multiple users.

WHEREAS, residential and municipal development along Reit Lane has significantly increased vehicle, pedestrian and bicycle traffic.

WHEREAS, the Wisconsin Department of Transportation provides planning guidelines, as well as matching funds grant programs, for constructing bicycle and pedestrian facilities.

WHEREAS, the Town of Arcadia Board of Supervisors deems the development of pedestrian and bicycle facilities along Reit Lane to be a worthy and desirable undertaking;

NOW, THEREFORE, BE IT RESOLVED:

1. Future improvements of Reit Lane include Pedestrian and Bicycle Facilities.
2. The Town of Arcadia Board of Supervisors hereby authorize the establishment of pedestrian and bicycle facilities to be included as part of any future Reit Lane improvement project grant application to the Wisconsin Department of Transportation's Local Road Improvement Program.

The foregoing resolution was adopted at a Town Board regular meeting of the Town of Arcadia on Dec. 29, 2015.
