

AGRICULTURAL ENTERPRISE AREA LANDOWNER MEETING

Arcadia Town Hall -Wednesday April 18th, 2018 at 7:00 pm

What is an Agricultural Enterprise Area?

-An Agricultural Enterprise Area, or AEA, is a part of the Department of Agriculture's Farmland Preservation program in which large tracts of land are preserved for continual agricultural production and development.

What can an AEA do for me?

- Landowners located within an AEA are eligible to sign up for new Farmland Preservation Agreements, in which you would receive \$5 per acre under contract, in return for keeping your land in agricultural production for another 15 years.

Please contact Cassandra Fowler with any questions or to RSVP (optional), 715-538-2311, ext. 277
